- Full-Time students may be awarded up to \$5,500.00 per semester.
- Part-Time students may be awarded up to \$3,500.00 per semester.

Consideration will be given to those students who are in financial need or have a bursar account on hold to continue with their courses. The financial need must be over the maximum amount of scholarship awarded. The additional amount awarded will be considered based on the student's financial need.

A document listing will be submitted to the Pueblo of Zuni Finance Department for a check to be processed payable to the college or university. Due to FERPA, the name of the students who are receiving the ZETAC Award will not be provided to outside programs. Once a check is processed, it will be sent to the applicable college/university so the ZETAC Scholarship award is posted to the student's bursar account.

A ZETAC Scholarship Advisory Committee will assist the ZETAC Coordinator to determine the eligibility of a student who submits a ZETAC Scholarship application. All incoming documents will be reviewed by the committee to verify the eligibility of the scholarship award to the student. A ZETAC Scholarship Application Checklist will be used to verify if all documents have been submitted. Once the documents are reviewed, recommendations will be made by the committee on which student will be awarded and the amount of the award.

The ZETAC Coordinator will provide qualified students, notification of the scholarship award no later than January 5 for Spring Semester, May 15 for Summer Semester, and August 1 for Fall Semester, contingent upon the availability of the scholarship funds.
